

PMA/TOOLS AG

Customer information relating to the POP Regulation

Stockholm Convention on Persistent Organic Pollutants (POP) EU implementation of Regulation (EU) 2019/1021 / commission delegated Regulation (EU) 2020/784

Dear Customer,

Regulation (EU) 2019/1021 of the European Parliament and of the Council of 20 June 2019, Annex I amended by Regulation (EU) 2020/784 of the European Parliament and of the Council of 8 April 2020, regarding **Persistent Organic Pollutants (POP)**, defines a binding international agreement on banning and introducing limitation measures for certain long-life organic contaminants.

PMA/TOOLS AG is in close contact with its suppliers and has requested their written confirmation, that products delivered to PMA/TOOLS AG do not contain any prohibited substances listed in the above-mentioned regulations. However, we take no responsibility for our suppliers.

Due to the information currently available to us, we hereby confirm to the best of our knowledge that the prohibited substances listed in the above-mentioned regulations are not used in our products.

This customer information is based on current knowledge and experience as well as on the status of legislation at the date of issue.

PMA/TOOLS AG
